SUBJECT NO. 432.

Regular payments of Devadaya cash grants annually in the Manjarabad Taluk

Mr. Siddegowda, Manjarabad Taluk.

Summary of discussion.—During the Survey Settlement the Devadaya Inam grants in the Manjarabad Taluk were made payable in cash. Consequent on the delay that is caused for obtaining the Muzrai Secretary's sanction, payments are usually made after a lapse of one or two years. Arrangements may, therefore, be ordered for payments being made every year.

Reply of Government.—The Deputy Commissioner has already taken notice of this matter and issued proper instructions for making payments promptly.

SUBJECT NO. 433.

Construction of the Installation Chattram in Saklespur Town.

Mr Malali Venkatramaiya, South Mysore Native Plan ers' Association.

Summary of discussion.—Native coffee planters and other gentlemen have enthusiastically subscribed for the construction of an Installation Chattram at Saklespur and Rs. 2,000 have been deposited in the Taluk Treasury. Timber and tiles valued at Rs. 700 have also been collected and kept near the Taluk Cutcherry. A site has been selected and a respectable gentleman has also laid the foundation stone. As the uncollected balance of the amount subscribed is not likely to be forthcoming, the chattram might be constructed after obtaining a contribution from the Municipal or Local Funds, if necessary, as the construction of such a building would meet a great want felt at present by travellers.

Reply of Government.—The matter may be represented to the Deputy Commissioner.

SUBJECT NO. 434.

Repairs to and the construction of a Vimana for the temple of Sri Channakesavaswami at Belur.

Mr. Anantakesavachar, Belur Taluk.

Summary of discussion.—As stated last year in reply, the Government may be pleased to take up the necessary repairs to the Belur temple soon and the construction of the Vimana may also be ordered early.

As the temple is one of the most beautiful architectural buildings fit for preservation as that of Halebid, the Government may be pleased to order the cost of its annual repairs being met by the Provincial Funds as in the case of Halebid temple.

Reply of Government.—The Chief Engineer will be asked whether he cannot send Mr. Raghavalu Naidu to prepare an estimate.

KADUR DISTRICT.

SUBJECT NO. 435.

The Munsiff's Court at Yedahalli.

Mr. Kigga Chennakesava Rao of Koppa Taluk.

Summary of discussion.—1. It is rumoured that the Yedahalli Munsiff's Court will be transferred to Tarikere on the ground that the place is unhealthy. Yedahalli is sufficiently distant from Kigga, Megunda, Baggunji and

Hoskere hoblis, situated as they are at a distance of 35 to 40 miles from the Munsiff's Court. The transfer of the Court to Tarikere would be still more inconvenient to parties as well as to pleaders, who are permanent residents of Yedahalli. It is requested that the Munsiff's Court may be permanently located at Yedahalli.

2. A few hoblis of the Tirthahalli and Chikmagalur Taluks may be included in the jurisdiction of the Yedahalli Munsiff's Court and the Munsiff appointed a Second Class Magistrate permanently.

Reply of Government.—The Yedahalli Court will remain where it is. No change is contemplated.

SUBJECT No 436.

Abolition of the Subordinate Judge's Court at Chikmagalur or the reduction of its small cause jurisdiction to Rs. 100.

Mr. S. R. Balakrishna Rao, B.A., LL.B., Advocate, Shimoga Municipality.

Summary of discussion.—Since a Subordinate Judge's Court has been established at Shimoga, there is no necessity for a Sub-Judge's Court at Chikmagalur ; and so the same may be abolished ; or if that cannot be done, its small cause jurisdiction may be reduced to Rs. 100 as in Shimoga.

Reply of Government.—Not expedient. The present arrangements were made after full consideration only a short time ago. When a new Sub-Judge is sent, the small cause jurisdiction will be reduced.

SUBJECT No. 437.

Drainage scheme of the Chikmagalur town.

Mr. G. Abdul Khalik of the Chikmagalur Municipal Board (absent), but others spoke for the member.

Summary of discussion.—The drainage scheme of the Chikmagalur town may be taken in hand in connection with the other improvements that are being effected, as it is necessary for improving the sanitary condition of the town.

Reply of Government.—This project is now under preparation. The Deputy Commissioner says that the surveying will be completed in about six months.

SUBJECT No. 438.

Sale of the right of collecting market fees and cattle-pound fees in the town of Tarikere.

Mr. Sivappa Gowda of the Tarikere Municipal Board.

Summary of discussion.—It is requested that the right of collecting market fees at Tarikere on cart-loads and head-loads may be sold annually by public auction, as also the right of collecting fees in the cattle-pound. This saves the trouble of maintaining an establishment for the purpose and prevents annoyance to the people.

Reply of Government.—Selling the cattle-pounds is opposed to general principles and cannot be sanctioned. The right of collecting market fees is being sold.

SUBJECT No. 439.

Locating a permanent dispensary at Balur.

Mr. Javali Ganesh Rao, member, Kadur District Board.

Summary of discussion.—A permanent dispensary may be located at Balur as Mudgere is 14 miles from it and sickness is on the increase.

Reply of Government.—The question of the retransfer of Hariharpur Dispensary to Balur will be considered. The Deputy Commissioner and the Senior Surgeon will be consulted.
